

BECOMING A TRUTH CORPS TEAM MEMBER

There have been more than 350 brothers and sisters who have served on Truth Corps since the program's inception in 1970. Prior team members have found that being part of Truth Corps was a defining moment in their spiritual development and made a lasting impact on the lives of many brothers and sisters around the world.

One of the primary benefits of Truth Corps is that it opens to each member a new and expanded perspective about the Truth. When members return to their home ecclesias, a zeal for the Lord is evident. For many, it has led to life-long changes; many team members see outreach in a new, less fearful way, and they often help to infuse enthusiasm for preaching when they return to their home ecclesias.

For those interested, please complete and submit the CBMA Volunteer Information Form available at cbma.net/activities/truth-corps. Applicants should be at least 18 years old and baptized for 2 years or more. There is no maximum age for being a Truth Corp team member, and especially with international work, a variety of ages strengthens the team.
